# Make plans now to take part in one of the best golf outings in Eastern North Carolina

Join the Edgecombe Community College Foundation for a day of golf, food, and fun. This tournament is the Foundation's primary fundraiser and supports Foundation operations and student scholarships. Last year we raised over \$20,000. With your help, we can surpass that this year.

We look forward to you joining us! Your generous support will directly benefit ECC students by enabling them to further their education and acquire the skills necessary to compete in today's demanding job market.

## ECC Foundation

The Edgecombe Community College Foundation provides financial support for Curriculum and Continuing Education students at Edgecombe Community College in the form of scholarships. The annual Edgecombe Community College Foundation Golf Tournament provides needed resources for the Foundation to support local students that are furthering their education or gaining job skills in order to begin a career. The annual golf tournament also provides resources to support the overall operation of the Foundation. Our efforts would not be possible without your invaluable participation in this event. We extend sincere thanks to you and your companies for participating and supporting the Edgecombe Community College Foundation. If you would like more information on providing scholarships for our students, please email [foundation@edgecombe.edu](mailto:foundation@edgecombe.edu).

## Tournament Information

Our tournament format is a fourperson scramble. Teams will be divided into flights based upon team handicap. First and second place winners in each flight will be awarded immediately following the tournament.

Prizes for closest to the pin (on all par threes) will be awarded for morning and afternoon players.

Your team entry fee includes green fees, cart and rental, a goodie bag, refreshments, breakfast, and lunch for each player.

The deadline for team names and handicaps is September 15. Any names and handicaps not in by that date will be assigned to the champion Flight with a handicap of zero.

For more information call Anna Kate White at 252-618-6651 or email [whitea@edgecombe.edu](mailto:whitea@edgecombe.edu)
