Registration Information

We have a seat for you!
5 Ways to Register

1.  Phone Registration
Students may call Linda Mann at (252) 618-6660 to register for classes. Please have credit card information available. MasterCard, Visa, and Discover are accepted.

2.  Mail-In Registration
Print and complete the registration form. The form is available in this publication and also by using the following link: <http://www.edgecombe.edu/component/rsform/form/20-continuing-education-student-application>
Please include your payment. Cash, money orders, checks and credit cards are accepted. If using a credit card, please include credit card information sheet that appears on page 4 of this publication.
Mail to:

Edgecombe Community College
ATTN: Linda Mann
2009 W. Wilson Street
Tarboro, NC 27886

3.  Fax Registration
Fax the registration form to (252) 823-6817 Attention Linda Mann. Payment must be made by credit card for fax registration. Registration form and credit card form are pages 4-5.

4.  Walk-In Registration
Walk-in registration allows you to register in person at the Tarboro or Rocky Mount campus. On the Tarboro campus, Linda Mann is located in the Nina Fountain wing of the Fleming Building at 2009 W. Wilson Street in Tarboro, NC. On the Rocky Mount campus, Selwyn Spence is located in the Barnes Building, 225 Tarboro Street in Rocky Mount, NC.
Registration Desk Hours are Monday-Thursday, 8:00am to 5:00pm, and Friday, 8:00am to 1:00pm.

5.  Online Registration
Please visit our website at <https://edgecombe.edu/continuing-education/continuing-education-application/> to register online for Continuing Education classes.

REFUND POLICY

The College may refund registration fees under the following circumstances:

1. If a student officially withdraws from the class prior to the first class session, then the student will receive 100% refund.
2. A student will receive a 100% refund if a class is cancelled due to insufficient enrollment.
3. If a student officially withdraws from the class prior to or on the 10% date of the class, the student will receive a 75% refund of the registration fees only.
4. Registration fees for self-supporting classes are non-refundable once the class starts.

Important Notes:

- Please register and pay all class fees 7 days prior to the first day of class.
- Seats are not guaranteed until class fees have been paid in full.
- Late registration is available until the first day of class by contacting the Continuing Education Department.
- We reserve the right to cancel a course based on enrollment.
- Students ages 16-18 must have a signed Dual Enrollment form PRIOR to enrolling in class.

Occupational Training

To register, please complete the online application located at <https://edgecombe.edu/continuing-education/continuing-education-application/>

Small Engine Repair

For more information, contact:
Paige Ashman, (252) 618-6614
ashmanp@edgecombe.edu
Hours 24

Become familiar with the components and operating principles of the small engine. Topics covered include the similarities and differences in 2-stroke and 4-stroke engines, engine part identification, and definitions of terms, such as torque and horsepower. This is a hands-on class. Students will be working on small engines.

Fee \$75 (Registration and payment are due 7 days prior to the first class. For late registration, please contact our Continuing Education Department at (252) 618-6608.)
10/2-11/20 Wed 6:30-9:30pm E 445, TB

Collision and Repair

Intro to Autobody Repair – Night

For more information, contact:
Paige Ashman, (252) 618-6614
ashmanp@edgecombe.edu
Hours 84

This course is designed to prepare the student for entry-level positions in the Autobody Repair field. Students will learn how to identify and describe the current types of body/frame construction, identify and describe the

individual components of both conventional and unitized construction, evaluate vehicle damage through proper application of measuring and gauging equipment and sequencing techniques, identify and differentiate between the types of equipment available for making effective frame and underbody repairs, and return vehicle to pre-accident condition. Upon completion, students will have the knowledge base to perform hands-on repairs in the areas of non-structural and structural repairs, MIG welding, plastics and adhesives, refinishing, and other related areas.

Fee \$185 (Registration and payment are due 7 days prior to the first class. For late registration, please contact our Continuing Education Department at (252) 618-6608.)

Courses are added frequently throughout the year. Current classes are located on our website at the following link: edgecombe.edu/continuing-education/find-classes/

General Health Occupations Programs

Certain programs will require immunizations, and a background and/or drug screen which is the student's responsibility. These requirements are listed under each program.

Community Health Worker (HEA 3121)

This course is designed to provide individuals with the required knowledge, tools, and resources to become recognized as a certified Community Health Worker (CHW) in North Carolina, working in a variety of healthcare and community settings (health departments, hospitals, federally qualified health centers, clinics, faith-based organizations, etc.). Instruction is designed to cover the nine core competencies essential to working as a certified CHW which include communication, capacity building, service coordination, interpersonal, advocacy, outreach, and personal/professional skills. The knowledge base competencies will cover health and social issues that disproportionately impact clients, including but not limited to chronic diseases such as diabetes, asthma, and cancer. Some of the social issues covered will include safety, emergency preparedness, social isolation, and adverse childhood experiences (ACES). Students also will learn about the changing

healthcare landscape in North Carolina and how to work with clients in connecting them to resources through NCCARES 360 and others. Upon completion of this training, students will be eligible for listing as an NC Certified Community Health Worker.

Fee \$185 (Registration and payment are due 7 days prior to the first class. For late registration, please contact our Health Occupations Department at (252) 618-6569.)

8/26-11/25 Mon/Tues 5-7:30pm
*class will meet virtually through Google Meet

Medication Aide Training (PHM4100)

The Medication Aide Training course will cover administering medication via the oral, topical, and instillation routes. Medical asepsis, hand hygiene, terminology, and legal implications will be covered. Upon successful completion, students will be eligible to take the state competency exam. Proof of current listing on NC DHSR Nurse Aide 1 Registry and high school diploma or equivalency is required.

Fee \$75 (Additional costs for textbooks, supplies, and/or other items may be needed to participate in class.)

Books are available in the bookstore and should be purchased before the class starts. (Registration and payment are due 7 days prior to the first class. For late registration, please contact our Health Occupations Department at (252) 618-6569.)

** Students must attend all days and the complete meeting time to receive credit for attending.

8/19-8/22	Mon-Thurs	8:30am-3:00pm	TB
9/9-9/18	Mon-Wed	5:30-9:30pm	TB
9/24-10/3	Tues/Thurs	8am-2:30pm	TB
11/11-11/14	Mon-Thurs	8am-2:30pm	TB
12/9-12/12	Mon-Thurs	8am-2:30pm	TB

Medication Aide Instructor

The Medication Aide Instructor course is designed to meet the training requirement to become a Medication Aide Instructor. To participate in the course, individuals must have a current, unrestricted license to practice as a registered nurse in North Carolina and have had at least two years of practice experience as a registered nurse that includes medication administration. Upon successful completion, an individual is eligible to apply for certification listing with the North Carolina Board of Nursing.

Fee \$75 (Books are available in the bookstore and should be purchased before the class begins.) (Registration and payment are due 7 days prior to the first class. For late registration, please contact our Health Occupations Department at (252) 618-6569.)

TBA

Nurse Aide I Training (NUR3240)

Nurse Aide I is designed to prepare graduates to provide personal care and perform basic nursing skills for the elderly and other adults. Emphasis on the aging process including mental, social, and physical needs of the elderly, patient rights, nutrition management, elimination procedures, safe environment, restorative services, personal and special care procedures and activities, human body structure and function and related common disease/disorders, communication and documentation, death and dying, and roles of the nursing assistant and health team members. The course includes class, laboratory, and clinical learning experiences. Upon satisfactory completion of the course, the student will be eligible for the written and skills competency evaluation (National Nurse Aide Assessment Program, NNAAP).

Fee \$200.50 (Additional costs for textbook, uniforms, criminal background checks, and drug screens.) (Registration and payment are due 7 days prior to the first class. For late registration, please contact our Health Occupations Department at (252) 618-6569.)

** All clinical mornings will start earlier than the start times for theory and lab.

8/26-11/5	Mon Tues Thurs	8am-2:30pm	TB
9/16-11/21	Mon-Wed	8:30am-3pm	RM
11/18-4/8	Mon-Wed	5:30-9:30pm	TB

Nurse Aide I Refresher Training (NUR3242)

The course consists of review and testing to assess student knowledge and competency for Nurse Aide I. Each student must complete the course with passing academic and attendance requirements. Upon satisfactory completion of the course and successfully passing the (National Nurse Aide Assessment Program, NNAAP) exam, the student will be listed on the Nurse Aide I Registry by the NC Division of Health Science.

Fee \$130 (Registration and payment are due 7 days prior to the first class. For late registration, please contact our Health Occupations Department at (252) 618-6569.)

12/2-12/11	Mon-Fri	8:30am-3pm	TB
------------	---------	------------	----

Nurse Aide Training II (NUR3241)

The Nurse Aide II course prepares graduates to perform more complex skills for patients regardless of the setting under direct supervision of licensed personnel. A skill/competency evaluation is required for documenting student competency. The course includes class, laboratory, and clinical learning experiences. Upon satisfactory completion of the course and skill/competency evaluation, the candidate is eligible to apply for listing as a Nurse Aide II by the North Carolina Board of Nursing.

Fee \$200.50 (Additional costs for textbook, uniforms, immunizations.) (Criminal background checks and drug

screens are required; the cost is approximately \$160.) (Registration and payment are due 7 days prior to the first class. For late registration, please contact our Health Occupations Department at (252) 618-6569.)

** All clinical mornings will start earlier and may finish later than the start times for theory and lab.

8/26-11/27 Mon/Wed 8am-4pm TB

Phlebotomy Training (MLA3022)

Phlebotomy Training provides theory and clinical experiences needed for the proper collection of blood and other specimens used for diagnostic testing. Emphasis is placed on ethics, legalities, medical terminology, safety and universal precautions, healthcare delivery systems, patient relations, anatomy and physiology, and specimen collection. Upon completion, students should be able to safely perform procedures necessary for specimen collections on patients in various healthcare settings and may be eligible for national certification as phlebotomy technicians.

Fee \$200.50 (Additional costs for textbooks, uniforms, immunizations, criminal background checks, and drug screens.) Books are available in the bookstore and are needed on the first day of class. (Registration and payment are due 7 days prior to the first class. For late registration, please contact our Health Occupations Department at (252) 618-6569.)

** Clinical hours take place after the classroom portion of the class and are Monday-Friday, 8am-5pm, for an assigned 13-day rotation.

8/26-12/17 Mon/Tues 5:30-9:30pm TB

PHCAST Training (HRD3003B; HRD3004G)

Students are referred to this program through Workforce Development, OIC, and/or other third-party entities. This program is designed to serve students who are un/under employed and assist them in developing skills needed to obtain and retain positions in healthcare fields.

Fire and Emergency Services Training

The Fire Service program at ECC is designed to provide full time and volunteer fire departments with the opportunity to gain knowledge, practical skills, and certification in modern firefighting, rescue, officer development, and fire department management skills. Programs are open to all fire departments in the Edgecombe County area. A broad range of specialty classes, based on both department needs and new training standards, are offered during the year on the ECC campus or at various fire departments. Fire Service classes that require physical exertion and use specialized departmental equipment are offered to credentialed fire service personnel only. Firefighter Certification classes and Technical Rescuer classes are available.

EMS and Rescue

The EMS and Rescue program at ECC is designed to provide certification in a wide variety of emergency medical and rescue-related programs. It provides full time and volunteer Rescue Squads with the opportunity to gain knowledge, practical skills, and advanced skills based on pre-hospital emergency situations. Programs are open to all EMS departments in the Edgecombe

County area. A broad range of specialty classes, based on both department needs and new training standards, are offered during the year on the ECC campus or at various departments. Any of these classes may be offered to interested citizens; however, Emergency Medical Service classes that require physical exertion and use specialized departmental equipment are offered to credentialed EMS personnel only.

Healthcare Provider CPR/AED

Hours 4

Healthcare Provider CPR AED is a classroom, video-based, instructor-led course that teaches adult CPR and AED use to certified healthcare providers.

The Paramedic program is designed to certify the technician to the entry level of pre-hospital advanced life support care available in North Carolina. This program fulfills all of the requirements of the National Standard Curriculum for Paramedics. The program covers advanced patient assessment and treatment techniques. The program is offered in a "flip-flop" schedule. EMT is a pre-requisite.

Fee \$395.50 (Additional costs for textbooks, testing supplies & uniforms)

Law Enforcement Training

For more information and to set up an interview, please contact:

Bernie Taylor, (252) 618-6613

taylorb@edgecombe.edu

Find us on Facebook at [facebook.com/ECCBLET](https://www.facebook.com/ECCBLET)

The Law Enforcement Training program at ECC is designed to provide Sworn Law Enforcement Officers, Detention Officers, and Communication Personnel with the opportunity to gain knowledge and skills based on new and existing technology. Programs are open to all Law Enforcement Agencies in the State. A broad range of Mandated and Specialty classes, based on both department needs and new training standards, are offered during the year on the ECC campus or at various department locations.

Basic Law Enforcement Training (BLET)

Hours: 22-week program consisting of 768 hours of training

Basic Law Enforcement Training is an accredited program of the North Carolina Criminal Justice Education and Training Standards Commission and the North Carolina Sheriffs' Education and Training Standards Commission.

BLET is designed to give students essential skills required for entry-level employment as law enforcement officers with state, county, or municipal governments, or with private enterprise. Successful graduates earn 18 credits toward an associate degree in criminal justice technology, receive a certificate, and are qualified to take the certification examination mandated by the North Carolina Criminal Justice Education and Training Standards Commission.

Fee per course: Tuition waived for students sponsored by a law enforcement agency (required)

10/3 Mon-Fri 8am-5pm H, TB

Detention Officer Certification (DOCC)

For more information on detention officer training, please contact:

Bernie Taylor, (252) 618-6613

taylorb@edgecombe.edu

Hours: 5-week program consisting of 185 hours of training

The Detection Officer Certification Course is an accredited program of the North Carolina Sheriffs' Education and Training Standards Commission.

DOCC is a state mandated course that prepares students for entry-level employment as a detention officer in a county detention or regional detainment facility. During the course, students will receive training in subject control, suicide prevention, supervising inmates with mental illness, and proper transportation of inmates. The course is demanding both physically and mentally. Physical training is conducted at least twice per week, and academic testing consists of topic testing each week. Successful graduates receive a certificate and are qualified to take the certification examination mandated by the North Carolina Sheriffs' Education and Training Standards Commission.

Fee per course: Tuition waived for students sponsored/hired by a law enforcement agency (required)

Business Photography Presented by: Bob Mackowski Seminars	Day	Time	Topic
<p style="text-align: center;">11/7 In-person Event Tarboro Campus</p>	<p style="text-align: center;">Thurs</p>	<p style="text-align: center;">2-7:30pm</p>	<p>Business Photography Workshop</p> <p>Class 1: Capturing Artistry: A Guide to Photographing Your Own Work Overcoming the challenges of photographing artwork can be daunting. You have to work with lighting, reflections, distortion, editing, and plenty of other problems. This class, designed for artists photographing their own work, will address those concerns and more. Commercial photographer Bob Mackowski works through these situations every day and in this class, he'll teach you to work through them too.</p> <p>Class 2: DIY Food and Product Photography Nobody is going to eat food that looks unappealing or buy a product that looks bad. Learn to take quality photos of whatever you're selling, whether it's a culinary masterpiece or a product that solves all of the world's needs. In this class, we'll be discussing light boxes, lighting, backgrounds, framing, and composure. Commercial photographer Bob Mackowski creates photos like these for his clients, and in this class he'll teach you how to do it without his help.</p> <p>Class 3: Hands-On Business Photography You need visuals to represent your business on your website and social media. Make sure that they're not terrible. Photographer Bob Mackowski will give you some basic, entry-level tips to use with any camera (yes, even your cell phone) and you'll spend time with hands-on practice. After that, you'll learn how to make sure that it's seen and that it leaves the right impression. Your business isn't awful; make sure that your visuals don't make it look that way. Please bring a mobile device (phone or tablet) and a camera (phone/tablet/DSLR/point-and-shoot) to class with you for the hands-on portion.</p>

AI Branding Mastery: Unleashing the Future of Marketing Presented by: Chisa Pennix-Brown Webinars	Day	Time	Topic

Lunch & Learns Presented by: Tierra Norwood Seminars	Day	Time	Topic
10/8 & 10/9 In-person Event	Tues & Wed	11:30am-1pm	<p>Visibility on a Budget: Tools Every Entrepreneur Needs (Lunch & Learn)</p> <p>In today's competitive business landscape, visibility and customer engagement are not just goals – they're necessities for survival and growth. However, for many entrepreneurs, especially those just starting out or operating on a lean budget, traditional marketing avenues can seem out of reach. That's where "Visibility on a Budget – Marketing Tools Every Entrepreneur Needs" steps in to bridge the gap. This exclusive webinar is designed to empower business owners with a treasure trove of marketing wisdom, focusing on strategies that are not only effective but also economical. Whether you're looking to increase your visibility, boost your sales, or see a significant uptick in profit, our expert-curated content is tailored to meet your needs without breaking the bank.</p>
Business Basics Presented by: Tiffany Smith Seminars/Webinars	Day	Time	Topic
9/18 Online	Wed	6-8pm	<p>Choosing a Business Structure</p> <p>Choosing your business structure is one of the first steps in starting your business. Many people default to an LLC, but this may not be the best option for your business. This presentation delves into the various business structures and the legal and taxation issues to consider when selecting.</p>

9/24 Online	Tues	6-8pm	<p>Legal Considerations for Work from Home & Coworking Spaces</p> <p>The latest post-Covid trend is working from home and coworking spaces. Coworking spaces may have multiple people from different work organizations all working under one roof in one space. This course will delve into the requirements for working from home and coworking. This includes tax issues, privacy concerns for you and your employer, and labor requirements. We will also discuss holding multiple jobs, and side gigs, while adhering to your company's remote work policies.</p>
10/15 Online	Tues	6-8pm	<p>Protecting Your Brand: Copyright and Trademark Basics</p> <p>Brand security refers to strategies to protect your brand from use by unauthorized parties. In this course, we will discuss several legal protections that will help protect your brand. Topics include copyright, trademark, trade secrets, and several privacy protections.</p>
10/22 In-person Event Tarboro Campus	Tues	6-9pm	<p>Creating Operating Agreements and Employee Handbooks</p> <p>Operating agreements lay out the rights and responsibilities of the owners, while an employee handbook typically outlines the employee rights and responsibilities. In this course, we will discuss the specifics of creating operating agreements and employee handbooks. Many small business owners do not realize the benefits of creating these documents. We will discuss the pros and cons as well as what is typically included in these documents.</p>
Business Basics Presented by: Tyler Lumley Seminars	Day	Time	Topic
8/13 In-person Event Tarboro Campus	Tues	6-8:30pm	<p>How to Start a Small Business & Start-Up Costs</p> <p>Learn key strategies for start-up, financing, and marketing as well as important information about legal issues, licensing, zoning, operations, and more. Discover the resources available to help you start and successfully operate your business. The introductory costs of business shouldn't be a surprise to anyone, which is why in this seminar, we will go over the basics of starting a small business, as well as how to forecast your cash flows!</p>
8/27 In-person Event Tarboro Campus	Tues	6-7:30pm	<p>Writing a Business Plan</p> <p>Business success begins with a plan. By committing your idea to paper, you face tough questions and identify strengths and weaknesses. Business plans are not just for financing purposes; they are working documents to guide your business. For new and established small business owners, this seminar will start you down the path of small business success.</p>

Business and Industry Services

For more information, contact:
Dennis Hackett, (252) 618-6609
hackettd@edgecombe.edu

We train the employees who keep our local industries strong and growing. Our fee-effective training targets performance improvement and cross-training issues specific to each industry. The goal is to foster and support three key aspects of the company's well-being:

- Job Growth
- Technology Investment
- Productivity Enhancement

Our classes are as different as the industries we serve. We can help with professional development for your existing employees or we can offer you services to help identify potential employees who are ready to go to work immediately, saving you time and money.

Customized Training & Development

For more information, visit edgecombe.edu/continuing-education/business-and-industry/customized-training/

The purpose of the Customized Training Program is to provide customized training assistance in support of full-time production and direct customer service positions created in the State of North Carolina, thereby enhancing the growth potential of companies located in the state while simultaneously preparing North Carolina's workforce with the skills essential to successful employment in emerging industries.

Eligible businesses include: Manufacturing, Technology Intensive (i.e. Information Technology, Life Sciences), Regional or National Warehousing and Distribution Centers, Customer Support Centers, Air Courier Services, National Headquarters with operations outside North Carolina, and Civil Service employees providing technical support to U.S. military installations located in North Carolina.

Human Resources Development

For more information, contact:
 Latasha B. Sledge (252) 618-6611 sledgelb@edgecombe.edu
 Visit edgecombe.edu/continuing-education/hrd/

It is important to know exactly what employers look for when hiring full-time employees. In addition to relevant skills, employers seek employees who have the personal values, characteristics, and personality traits that spell success. Good personal values are the foundation for a good employee. This program offers an opportunity to learn the skills and behaviors along with the work values that are required for success in the workplace.

Let us teach you how to:

- Network effectively to find career opportunities
- Determine if a posted opportunity is right for you
- Improve employability skills
- Write a résumé and cover letter
- Fill out an application correctly
- Prepare for an interview
- Keep that new job and get promoted

Do I qualify for the fee waiver?

Individuals may be granted a waiver of class registration fees if they meet one of four criteria:

- Are unemployed
- Have received notification of pending layoff
- Are working and are eligible for federal earned income tax credit
- Are working and earning wages at or below two hundred percent (200%) of the federal poverty guidelines

Roadmap to Reentry

Hours 20

This course focuses on those who are seeking to return to the workforce but may not have the best background. Topics include time management skills, interview skills, résumé writing, goal setting, job retention skills, and more. Courses are offered at the NC Works Career Center in Rocky Mount. Please ask for Dennis Gunter.

- Training and continuing education for job training
- How your skills help your employer
- Soft skills for the work environment
- Positive attitudes
- Why people need to improve their basic job skills

Schedule TBA

Career Readiness Certification

For more information, contact Latasha B. Sledge,
(252) 618-6611 sledgelb@edgecombe.edu

North Carolina's Career Readiness Certificate (CRC) is designed to meet the needs of both employers and job seekers in this transitioning economy. WorkKeys is a job skills assessment system measuring "real world" skills employers believe

are critical to job success. These skills are valuable for any occupation, skilled or professional, and at any level of education.

- For employers, the CRC offers a reliable means of

determining whether a potential employee has the necessary literacy, numeracy and problem-solving skills to be "job ready."

- For job seekers, the CRC serves as a portable credential that can be more meaningful to employers than a high school degree or a résumé citing experience in a different job setting.
- The CRC is based on WorkKeys, a nationally recognized, skills assessment tool developed by ACT Inc.

WorkKeys Assessments measure the current skills of individuals in four key areas:

1. Workplace Documents (testing time 55 minutes)

The Workplace Documents test measures the skill people use when they read and use written text in order to do a job. The written texts include memos, letters, directions, signs, notices, bulletins, policies, and regulations.

2. Applied Mathematics (testing time 55 minutes)

The Applied Mathematics test measures the skills people use when they apply mathematical reasoning and problem-solving techniques to work-related problems. The test questions require the examinee to set up and solve the types of problems and do the types of calculations that actually occur in the workplace.

3. Graphic Literacy (testing time 55 minutes)

The Graphic Literacy test measures the skill people use when they work with workplace graphics such as charts, graphs, tables, forms, flowcharts, diagrams, floor plans, maps, and instrument gauges.

4. Applied Technology (testing time 45 minutes)

The Applied Technology test measures the skill people use when they solve problems with machines and equipment found in the workplace. This skill includes four areas of technology: electricity, mechanics, fluid dynamics, and thermodynamics.

Register by email by sending your name, address, telephone number, and desired testing date to:

College and Career Readiness

For more information, contact:

Dr. LaShawnda Washington, (252) 618-6704
Admissions Rocky Mount campus: (252) 618-6707
Admissions Tarboro campus: (252) 618-6680
washingtonl@edgecombe.edu

The mission of College and Career Readiness is to offer adults the opportunity to improve their literacy skills and acquire the necessary knowledge for success in employment, self-sufficiency, and/or higher education. College and Career Readiness assists interested adults 18 years or older who have not earned a high school credential and offers remediation services to individuals who have earned a credential. Non-high school graduates, ages 16 and 17, may also enroll with special permission. The Division of College and Career Readiness also supports the communities and citizens of Edgecombe County by hosting community events throughout the year and working closely with our community partners.

The following College and Career Readiness programs are offered to assist adults in reaching their goals:

- Adult Basic Education I
- Adult Basic Education II
- Adult High School Diploma (AHSD) Program
- Adult Secondary Education
- Digital Literacy

- English Language Acquisition (ELA) Program
- High School Equivalency Diploma Program

College and Career Readiness classes enable students to work at their own pace. Individualized instruction is provided through tutoring services. Traditional and virtual classes are offered on both the Tarboro and Rocky Mount campuses. Off-campus classes are located at various sites throughout Edgecombe County.

Courses available on campus:

- ABE I: Foundational Reading and Mathematics skills, self-sufficiency and employment skills, coaching for success
- ABE II: Mathematics: Preparing the mid-level literacy learner to succeed in HSE Mathematics
- ABE II: Reading and Writing: Reading Comprehension, Critical Thinking, and Writing Skills Development
- Digital Literacy: Basic Computer Hardware and Software Skills
- English Language Acquisition: Preparing English Learners with Citizenship, Employment, and Language Skills
- HSE Mathematics: Advanced Math Students
- HSE Science and Social Studies: Preparing Students for Success in HSE Science & Social Studies
- HSE Tutorial: Working with Students on Current Classroom Assignments and Providing Supplemental Instruction and Resources
- HSE Writing: Preparing students to build advanced Reading Synthesis, Analysis, and Writing Skills
- Transitions: Guiding Students into Employment and Post-Secondary Education, CRC Prep

Off-Campus sites for High School Equivalency Program

- GW Bulluck School
- NC Works Center – (Spanish Language Preparation Site)
- Rocky Mount O.I.C.: Day & Evening Classes

Career Pathways

The program supports three career pathways that enable eligible students to pursue an industry credential in one of the seven areas while in pursuit of their high school credential. The career pathways are:

- Certified Production Technician
- Early Childhood
- Nurse Aide I
