

# Setting up the mobile OpenLMS app for Moodle

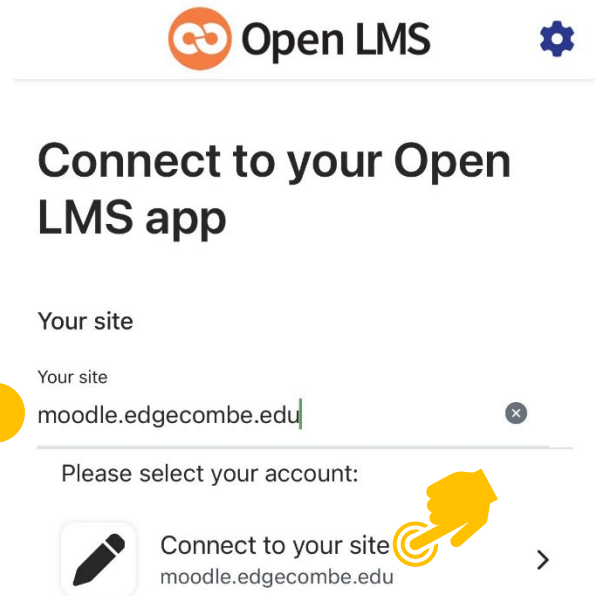

- ★ If you have never logged into an ECC system using your email address and password, please go to <https://MyApps.Microsoft.com> first.

1. Open the Apple Store (iPhone) or Google Play Store (Android) on your mobile device.

2. Search for an app named OpenLMS. Download and install the app with the icon shown.

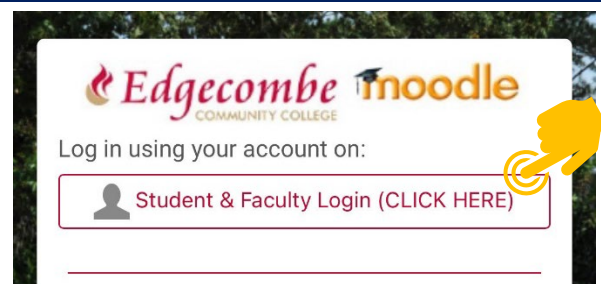

3. When the Open-LMS app opens, enter moodle.edgecombe.edu in the “Your site” field (1) and then tap the “Connect to your site” button to proceed.

4. Tap the “Log in” button and you will be taken back to your mobile device’s web browser to complete the log in process.

5. Once you are back at the moodle.edgecombe.edu page, tap the “Student & Faculty Login” button. You will be taken to the Edgecombe Community College single sign-on page.

- 
7. At the Edgecombe Community College single sign-on page, enter your full email address (1) and tap the “Next” button.
