

## **Campus Store Abandoned Textbook Policy**

It is the policy of Edgecombe Community College that textbooks and other related online bookstore orders must be picked up from either Campus Store (Tarboro/Rocky Mount) by the person named in the “ship to/customer pickup” field within the last day of the semester in which the materials were ordered. Your student ID and/or other picture ID must be presented at the time of pickup. Reasonable efforts will be taken to notify the students that their materials are available for pickup by Campus Stores staff.

Edgecombe Community College may store your materials for no more than the last day of the current semester in which the textbook or other related items were ordered. Any textbook or other items that are not claimed by the students within the last day of the current semester in which the textbooks were ordered will be deemed abandoned. After the last day of the current semester in which the textbook or other items were ordered, the Institution has sole discretion to sell or otherwise dispose of the abandoned textbooks or other items in any manner it deems appropriate.
